Brushed Aluminum Composite:

Our aluminum composite materials are made with two sheets of corrosion resistant aluminum permanently bonded to polyethylene core. These substrates come 3mm in thickness to fit most display stands and are perfect for long-term outdoor and indoor use.

Features:

- Maximum size 48" x 96"
- Digitally printed at 1440 x 720 resolution
- Double side printing is available
- Long term outdoor and indoor use, waterproof and UV safe
- 1/4" rounded corners available
